

This worksheet is intended for use in a class for computer novices.

Browser Basics Worksheet (Internet Explorer for PCs)

Top of Browser

Notice the three control buttons at top right corner of browser

Minimize

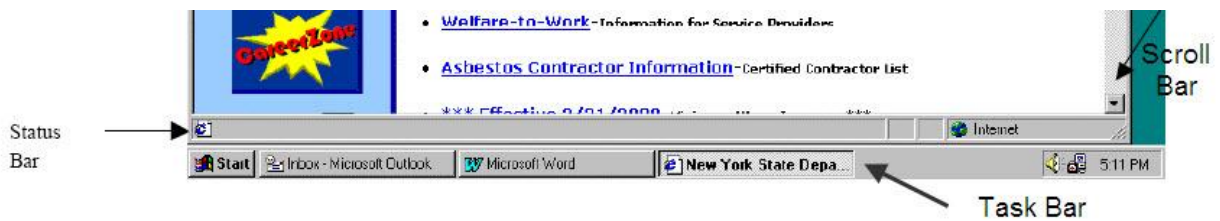

Maximize

Close

Bottom of Browser

1. Type www.google.com in the Address Box, then press the **ENTER** key on your keyboard.
2. Click on the **Minimize control button**. What happened to the window? _____
3. Click on the button for the window you were just looking at on your Task Bar. What happened? _____

4. Click on the **Maximize control button**. What happened to the window?_____ What happened to the button itself?_____
5. Click on the **Close control button** (the one with the "x"). What happened to the window?_____
6. Click on the **START** button in lower left corner of the screen - then click on "Programs" - then "Internet Explorer" to open a new browser window. What web page comes up as the "Home Page" (default page)?_____
7. Type www.google.com in the Address Box and press the ENTER Key - Click on "Video" at the top left of the screen. In the search box type "library" (large or small letters) then click on the "Search Videos" button. Click on the play button in the corner of the first video that comes up. What did this do?_____ Can you hear any sound?_____ What would you need in order to hear sound from this video?_____
8. Click the **Back button** on your Toolbar. What happened to the video?_____ What is now on your screen?_____
9. Click on the **Home page button** on your **Toolbar**. What web page does this take you to?_____
10. Click on the **Maximize control button**. Is the window now smaller than it was?_____ Click on the blue **Title Bar** of the smaller window and - **holding the button down** - move the mouse around. What happens to the window when you move the mouse?_____
11. Now click again on the **Maximize control button** of the smaller window. What happened to the window as a result?_____
12. On the Menu Bar, click on "File". From the dropdown menu here click on "Print Preview". What does the button at the top left of the screen say?_____ What does the Title Bar now say?_____
